

ASSESSORS' NOTICE.

THE Inhabitants of the Town of Brookline are hereby notified to bring in to the Subscribers, Assessors of said Town, on the 15th instant, true and perfect Lists of their Polls, and of their Real and Personal Estates liable to taxation in Brookline, which they were possessed of on the first day of May in their own right, and as Executors, Administrators, Trustees, and Guardians. The Subscribers will be in session at their office in the Town Hall, on the 15th instant, between the hours of 8 o'clock in the morning and 6 o'clock in the evening, to receive said Lists. Blank forms of such Lists may be had on application to either of the Subscribers.

Persons who do not render in such lists of taxable property within said time will be doomed according to law. The Statute provides, that "no abatement shall be made of the taxes assessed upon any individual, until he shall have filed with the Assessors a list subscribed by him of his estate liable to taxation, and made oath that it is a full and accurate list of the same, according to his best knowledge and belief." No person has any valid claim for abatement, unless he has rendered such list at the time and place notified, or has good excuse for not so doing.

Persons having sold or made any change in their Real Estate, since the last assessment, are requested to render to the Subscribers a statement of such change.
